

Hirebuddy

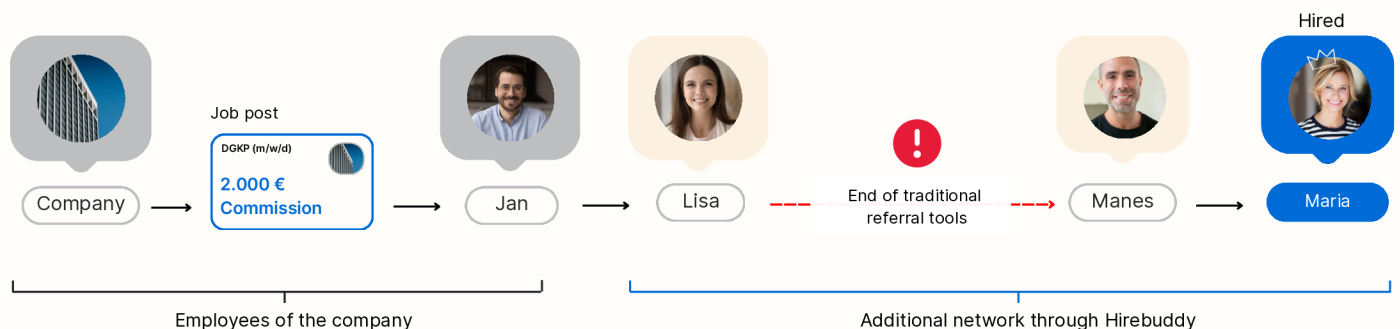

From job posting to the ideal candidat within **24h.**

With Hirebuddy we offer a referral tool that makes everyone a potential recruiter.

We offer companies a way to recruit suitable candidates **faster and more cost-effectively** by leveraging employee referrals and motivating people outside the company to actively participate in the recommendation process.

Through our Hirebuddy reward system, which breaks the boundaries of traditional referral programs, the potential **talent pool expands significantly.**

Team

Our Team has 7+ years of relevant experience in HR-Tech & Software Development.
